

2018 OVAL SKYBOX

The 2018 season brings a new direction with the partnership between Castrol Raceway & Ron MacDonell of Ginga Ninja Dirt Promotions. We are committed to revitalizing the 3/8 mile oval to bring the competitors, fans and staff together through a broad range of events and promotions.

New for the 2018 season is the partnership with promoter Mike Quigleys North American Speed Association 360 Sprint Car Series. The NSA Series will feature eight nights of bumper to bumper excitement including the 63rd Annual Jim Albert Memorial Gold Cup. Also new for 2018 is our schedule (see attached), our schedule will feature five two day events so as to entice out of town competitors to make the trip north.
